What We Do

We will operate throughout the country and offer a comprehensive range of hard and soft services to private and public organisations. Our services can be delivered individually or an integrated and bespoke offering to give our clients the best solution for their needs.

Soft Services

We believe that a well-maintained facility is more than just a building. It's a space where people thrive.

Our soft services are designed to enhance your workplace experience, creating a clean, peaceful and natural working environment that enhances positivity, productive and peace of mind.

- Contract Cleaning and Hygiene
- Supply of Cleaning Consumables
- Sterilising or disinfecting of buildings
- Garden Maintenance and Horticulture
- Contract Waste Removal
- Car Wash At your premises
- Road Cleaning and Grass Cutting
- Pool Maintenance

Hard Services

A building is the foundation of a successful business. Our hard services focus on the physical infrastructure of a building and its operational systems.

These services are essential for ensuring the safety, functionality, and efficiency of your facility.

- General Building Maintenance
- Water Proofing and Painting
- Handyman Services
- Extended Services:
- Project Management
- Facilities Management

Security Services

Our 24 hour security services focus on protecting people, property, and information within your organisation.

These services aim to deter crime, minimise risk, and maintain a secure environment ensuring that you focus on what your organisation does best.

- Manned guarding/ Security Officers
- CCTV monitoring
- 24/7-Armed Response
- Car park patrol
